Anh Tran, Christine Tang

Cofounders, owners, managing directors
Modern Wealth Advisors Inc., Irvine

Tran started her career at Goldman Sachs, and Tang at Morgan Stanley.

They both moved up quickly to executive roles.

The idea of style at traditional wire houses was no more than "stuffy suits in staid colors," they recall. Tran (left) and Tang concluded the wire house culture "didn't mesh well with the firm they envisioned—one where investment needs were met in a personal, vested way."

In 2010, Tran and Tang set out to start Modern Wealth Advisors, which is affiliated with First Allied Securities Inc. They currently work with nearly 100 high-net-worth families. Meetings often take place at the homes of clients, "around the dinner table, not in a board room." That calls for a "modern expression of each woman's taste, the sunny style of Orange County, with comfort and color in mind."
